Sir,

With reference to your letter No. Mily:485/97-08 of the 11th January last, I have the honor to inform you that on the receipt of the travelling allowance bills in question in July 1908 from the Commandant, Imperial Service Transport Corps he was at once called upon by this office to explain his reason for delaying their submission. The following are some of the reasons assigned by him for their late submission.

1. That no clerks were provided for the Corps till May 1908.
2. That the workshop clerks being otherwise engaged were not able to attend to the preparation of the bills.
3. That the divisions were out during the months of December 1907 to February 1908 and the order of Government sanctioning batta from 1st January 1908 was not received till May last.
4. That the newly appointed clerks being inexperienced had to wait till the accountant in the Transport Workshop was at leisure to show them how to prepare the bills.
5. Lastly that the outside Auditor was auditing the accounts of the Stores from May to August 1908 and required the assistance of 2 workshop clerks who were therefore unable to help in the preparation of the batta bills in question.

The above reasons however not being satisfactory steps have been taken to prevent the recurrence of such delays in future.

Further as the grant of Rs.500/- provided in the Transport Budget for the current year on account of travelling allowances is insufficient to meet the amounts outstanding, I propose that provision should be made in the next year's budget.
